

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a questionable ethical decision.

Sinclair uses the public airwaves free of charge and should be fair to all. This is a democracy!!! Why do we allow large companies control of our airwaves? Sinclair's actions show why we need to strengthen media ownership rules, not weaken them and make sure all people are represented: rich, poor, republican, democrat, black, white. etc. Please make sure the license renewal process is more than a returned postcard. Thank you.
Sincerely, Sandra Grace
